

WOODMEN

LEADERSHIP RESIDENCY

The Leadership Residency at Woodmen Valley Chapel gives its participants a true picture of what it means to work vocationally in a ministry setting. The program offers two roles: a 10-week summer internship and a 9-month residency. The goal of the summer internship is to help the intern discern if God may be leading him/her into vocational ministry. The goal of the residency is to help the resident gain clarity and continued development in a ministry specialty.

Both residents and interns become part of a ministry team and therefore will be held to Woodmen's high expectations of working with excellence, serving others and loving well. As valued team members, both roles also receive intentional, caring support and guidance as they engage with coaches and mentors, participate in weekly leadership classes, offer and receive direct feedback and dedicate time to investing in and deepening their relationship with God through the program!

COMPETITIVE CANDIDATE QUALITIES:
