## EXPLORE ACTIVITY

*Classroom Teacher*

**(15 minutes)**

*The Explore Activity is a chance to get the kids thinking about the upcoming Bible story for the day. Encourage your kids to engage with the activity as they prepare for the lesson.*

### **DISCUSS: Jesus is God's Gift**

In today's lesson, we are going to continue learning about how Jesus is God's Gift.

#### **SAY:**

Let's take a few minutes and go around and share our favorite memory from this Christmas. Everyone take a minute to think of something. Alright, we're going to go in a circle and everyone can share. *Allow kids to take turns sharing briefly their favorite part of Christmas.*

Christmas is such a special time with family and friends. There is something even more important about this time. Do you remember what the best Christmas gift of all was? Jesus, God's Gift! He was born on Christmas in a manger. We've talked about many important people in the story of Jesus' birth, and today we're going to look at two more people! First, I have an important question for you. How hard is it for you to wait to open Christmas gifts? *Pause for response.*

There's so much excitement, just seeing the gifts under the tree. Well, just like we have to wait to open those special gifts, these two people, Simeon and Anna, had waited a very long time to see the most special gift of all, Jesus! Before we find out if they got to see the gift, let's do an activity!

**PLAY:**

To get the kids thinking about the lesson, they can do this activity!

**Puzzle Race**

**Supplies:** 4-5 24 piece puzzles

**Say:** *When Jesus was born, it was like a puzzle! Mary and Joseph didn't know how it would all play out and they had to trust that all the "pieces" would fall into place while they waited patiently. Today we get to learn about two very special people who told Mary and Joseph, how Jesus would change the world! They got to see some of the unknown pieces to the "puzzle" fall into place! Sometimes it's hard to trust when we can't see the whole picture. Mary, Joseph, and our two new friends had to be very patient and wait for God to show them Jesus the Savior!*

**Directions:** Have children get into groups of 3 or 4. Give each group a puzzle. Have children race to put the puzzle together as fast as they can, but they can't use the picture on the box!

## LARGE GROUP

**(25 minutes)**

*Each week, Large Group will consist of an introduction, worship, the Bible lesson, worship response, and the blessing.*

### WELCOME & EXPECTATIONS

**Host**

Depending on your age group, either find a designated space in your classroom or join the other classes for Large Group in the specified location.

As children enter into Large Group time, welcome and greet the children, telling them you're excited to have them joining this evening/morning.

### Expectations Slide

Once everyone has found their seat, the host will use the Large Group expectations slide to go over the rules. Encourage various children to take turns reading the rules.

*\*\*\* After Expectations, transition the power point to the Key Verse slides..\*\*\**

## KEY VERSE

### Host

Before you start worship, introduce/review the key Bible verse for the quarter. This is a great opportunity for you to talk about the importance of God's Word and encourage the kids to work on memorizing the verse each week.

*Use the Key Verse Motions Video on Plex (or sent in weekly email) to learn the motions prior to Large Group.*

**"A child will be born to us. A son will be given to us. He will rule over us. And he will be called Wonderful Adviser and Mighty God."  
(Isaiah 9:6a, NIRV)**

*\*\*\* After the Introduction, transition the power point to the Worship songs and invite the Worship Leader up front to lead the kids in worship.\*\*\**

## OPENING WORSHIP

### Worship Leader

While the video is playing the opening worship songs, encourage the kids to sing and dance along. Don't forget to set the example by participating alongside them!

Kids may participate in the worship however they feel led. Encourage kids to find a way that helps them worship best but remind them that it's not time to goof off or talk to friends. If you have someone leading the worship up front, you can even invite a few kids to help.

*\*\*\* After Worship, transition the power point into the Bible Story video where the kids will hear about the lesson for the day.\*\*\**

## BIBLE STORY

### Lesson Video

Remind the group before starting the video to follow the expectations for Large Group.

### **THIS WEEK'S LESSON: Mary & Joseph Take Baby Jesus to the Temple**

Encourage kids to listen and engage with the lesson as they watch the teaching video.

*\*\*\*After the video finishes, turn on soft worship music (with or without lyrics) to transition into Worship Response. This should be background music to help set the tone for a quiet reflection time with God.\*\*\**

## WORSHIP RESPONSE

### *Host*

Worship Response is an opportunity for the kids to apply what they just learned and to respond to what God is doing in their life. *Have the kids sit in a place where they can be still and reflect independently.* Then read through the Worship Response prompts below as you lead the kids through the time.

***Supplies:*** none

God honors our faith! What an amazing thing. Simeon had faith his whole life to see what God had promised him. Same with Anna. God is looking for faith, and in the Bible, Jesus praises children for having great faith (Luke 18:17).

Let's take a minute to ask the Holy Spirit to speak to our hearts about areas in our lives where God is calling us to have faith. Maybe you're struggling with something that you think will never get better. Or maybe you need faith for God to help someone you love. Let's ask God to increase our faith today.

***Invite the kids to be quiet for a moment and ask God where He wants them to have faith. After a few minutes, invite the kids to pray simple sentences, asking God for faith in these areas.***

Thank you for sitting so quietly and spending time listening to God. If you would like to do so, I would love for us to take turns finishing this sentence prayer out loud: ***"God, I ask for faith about \_\_\_\_\_."***

***Model this for the kids by starting with your own sentence and invite a few leaders to do the same.***

***OPTION: Gather the kids together in small groups with a leader. They can finish the sentence in their small group.***

God is so good, and He truly is faithful. We can trust in Him!

***Close time in prayer.***

*\*\*\*After Worship Response, transition the power point to the closing Worship videos and invite the Worship Leader to come back up.\*\*\**

## CLOSING WORSHIP

### *Worship Leader*

Play the closing worship song included in the power point and encourage the kids to sing and praise along.

This closing song is intended to be a transition for the kids to finish processing and reflecting on the lesson before transitioning to the small group time.

*\*\*\*After Worship or Bible Story, transition the power point to the “Compassion International” slide.\*\*\**

## COMPASSION & OFFERING

### *Host*

Before closing large group, take a moment to highlight and discuss each campus' Compassion sponsor child. Explain a little about the Compassion child's life and the impact their offering has for this child (info should be provided on cards in classroom). Then remind kids that if anyone brought offering, now is the time to come forward to donate.

***Ask a child to come up and pray for the offering and their Compassion child.***

*\*\*\*After Compassion & Offering, transition the power point to the “Announcement” slide. The host will discuss any current announcements.\*\*\**

## ANNOUNCEMENTS & SPECIAL MISSIONS FOCUS

### *Host*

Take this opportunity to cover any announcements and special missions focus for the kids, such as upcoming events or reminders, like bringing food donations for Feeding Families. Use the slides provided in the Power Point to display important announcements.

*\*\*\*After Announcements, transition the power point to the “Blessing” slide. The host will lead the class in receiving the blessing for the day.\*\*\**

## BLESSING

### *Host*

*Read the verse and blessing over the kids before closing Large Group. Encourage the kids to stand and open their hands to receive the blessing as a truth that they can take with them this week and hide in their hearts.*

***May you know that God is our Promise Keeper. May you trust that He is faithful. He gave us the greatest gift of all, Jesus.***

## SMALL GROUP

### *Classroom Teachers*

**(10 minutes)**

*The Small Group discussion is a chance for the kids to discuss what they've just learned and to challenge them to think deeper.*

#### **Younger Kids:**

This time is optional for younger kids, depending on if you feel like the kids are still listening and participating well.

1. **Briefly retell the Bible story (Luke 2:22-40).**

5. **We can celebrate the Good News of Jesus every day! Let's take a few minutes to thank God for sending His Son for us.**

**Close small group in prayer.**

#### **Older Kids:**

Encourage the kids to utilize their personal Bibles or the classroom Bibles to read the Scripture as a group.
