As kids check-in, please have them wash their hands or use hand sanitizer before entering your classroom. Then they can participate in the various activities and games in your classroom. 10 minutes after the start of your service time, ask the kids to clean up their activities and toys so you can begin the Explore Activity at 15 minutes after the start of service.

EXPLORE ACTIVITY

Classroom Teacher

(15 minutes)

The Explore Activity is a chance to get the kids thinking about the upcoming Bible story for the day. Encourage your kids to engage with the activity as they prepare for the lesson.

DISCUSS: Jesus is Our Example

In today's lesson, we are going to learn about how Jesus is our example!

SAY:

Raise your hand if you ever play with Legos or building blocks. Have you ever gotten a really cool set of them that you wanted to build exactly like the box showed? **Let kids respond.** What do you usually have to do to put it together just like the picture on the box? **Let kids respond – follow the directions, look at the example.** You have to follow the directions and examples in the instructions! Well, kind of like building a really cool lego set can require some direction, in order to live how God wants us to as believers, we also need some direction too! What do you think helps give us direction? **Let kids respond.** The Bible, God's Word, is like an instruction manual on how to live! But not

only that, God also gave us in the Bible, in the New Testament, Jesus as an example of how to live! Jesus is our example. Let's say that together: Jesus is our example!

Today, we're going to hear one example Jesus gave us. Jesus performed many miracles on earth... What's a miracle? **Let kids respond.** In today's lesson, Jesus performed a miracle that shows how Jesus is our provider! Let's do this activity to find out more.

MAKE:

To get the kids thinking about the lesson, they can do this activity!

Water To Wine Activity Page

Supplies: water to wine activity page, crayons or markers

Directions: Pass out one water to wine activity page per child. Have kids color one part of the paper strip blue for water and the other part purple/red for the wine. Encourage kids to color the rest of their pictures.

Say: *Today we get to learn about something AMAZING! We get to learn about one of the miracles Jesus did! Let's see if we can create a craft to give us a hint about our story. On one part of the paper strip, we will color it blue. On the other part, we will color it purple or red. When we move it back and forth it will look like it's changing colors. I can't wait to see what special miracle we get to hear about today!*

LARGE GROUP

(25 minutes)

Each week, Large Group will consist of an introduction, worship, the Bible lesson, worship response, and the blessing.

WELCOME & EXPECTATIONS

Host

Depending on your age group, either find a designated space in your classroom or join the other classes for Large Group in the specified location.

As children enter into Large Group time, welcome and greet the children, telling them you're excited to have them joining this evening/morning.

Expectations Slide

Once everyone has found their seat, the host will use the Large Group expectations slide to go over the rules. Encourage various children to take turns reading the rules.

***** After Expectations, transition the power point to the "Worship" slide.*****

KEY VERSE**Host**

Before you start worship, introduce/review the key Bible verse for the quarter. This is a great opportunity for you to talk about the importance of God's Word and encourage the kids to work on memorizing the verse each week.

Use the Key Verse Motions Video on Plex (or sent in weekly email) to learn the motions prior to Large Group.

**"I have given you an example, you should do as I have done for you."
(John 13:15, NIRV)**

****** After the Introduction, transition the power point to the Worship songs and invite the Worship Leader up front to lead the kids in worship. ******

OPENING WORSHIP**Worship Leader**

While the video is playing the opening worship songs, encourage the kids to sing and dance along. Don't forget to set the example by participating alongside them!

Kids may participate in the worship however they feel led. Encourage kids to find a way that helps them worship best but remind them that it's not time to goof off or talk to friends. If you have someone leading the worship up front, you can even invite a few kids to help.

TODAY'S WORSHIP SONGS:

- My Feet are on the Rock
- Big House
- Closing: Firm Foundation

****** After Worship, transition the power point into the Bible Story video where the kids will hear about the lesson for the day. ******

BIBLE STORY**Lesson Video**

Remind the group before starting the video to follow the expectations for Large Group.

THIS WEEK'S LESSON: Jesus is Provider – Jesus Turns Water into Wine

Encourage kids to listen and engage with the lesson as they watch the teaching video.

****** After the video finishes, turn on soft worship music (with or without lyrics) to transition into Worship Response. This should be background music to help set the tone for a quiet reflection time with God. ******

WORSHIP RESPONSE

Host

Worship Response is an opportunity for the kids to apply what they just learned and to respond to what God is doing in their life. *Have the kids sit in a place where they can be still and reflect independently.* Then read through the Worship Response prompts below as you lead the kids through the time.

Supplies: prayer request papers, pens/markers, twine/wire WR stations

Wow! Can you believe that Jesus really did that? He turned water into wine – that's a miracle! Jesus is provider. He provided right when the people at the wedding needed it the most, and He provides for us too.

Did you know that we can talk to Jesus anytime and anywhere? How can we do that? **Let kids answer – pray!** Praying is when we talk to God! We can trust that God hears us when we talk to Him because we see Him do that again and again in the Bible.

PRAYER REQUESTS ACTIVITY:

Trusting means we believe that God will do what He says He will do. Do you trust that God hears your prayers? Do you tell Him what's really on your heart? Let's take some time now to talk to God. Do you need to ask for help with something? Do you need to tell Him something and ask forgiveness? Do you need to pray for someone?

Have teachers pass out paper and writing utensils to each kid. As we sit quietly for a minute, take some time to write/draw your prayers to God. Then, when you're ready, you can go quietly pin it on the board. We know that Jesus is Provider, and we can trust that He hears us!

After you have pinned up your request to the board, grab someone else's off the wall to pray for this week.

Encourage kids to do this quietly/individually while the soft music plays. After a few minutes, say:

Thanks for taking time to talk to God – He hears you and He loves you! Jesus is provider.

Close in prayer.

*****After Worship Response, transition the power point to the closing Worship videos and invite the Worship Leader to come back up.*****

CLOSING WORSHIP**Worship Leader**

Play the closing worship song included in the power point and encourage the kids to sing and praise along.

This closing song is intended to be a transition for the kids to finish processing and reflecting on the lesson before transitioning to the small group time.

****After Worship or Bible Story, transition the power point to the “Compassion International” slide.****

COMPASSION & OFFERING

Host

Before closing large group, take a moment to highlight and discuss each campus' Compassion sponsor child. Explain a little about the Compassion child's life and the impact their offering has for this child (info should be provided on cards in classroom). Then remind kids that if anyone brought offering, now is the time to come forward to donate.

Ask a child to come up and pray for the offering and their Compassion child.

****After Compassion & Offering, transition the power point to the “Announcement” slide. The host will discuss any current announcements.****

ANNOUNCEMENTS & SPECIAL MISSIONS FOCUS – SDC ORPHANetwork Project

Host

Take this opportunity to cover any announcements and special missions focus for the kids, such as upcoming events or reminders, like bringing food donations for Feeding Families. Use the slides provided in the Power Point to display important announcements.

This year for Summer Day Camp, we are partnering with an organization called ORPHANetwork, or O-Network for short. This organization is in Nicaragua. Do you know where Nicaragua is? ***Let kids respond.*** It's in Central America!

Nicaragua is the poorest and one of the least developed countries in Central America, where access to basic services is a daily challenge. O-Network works through local churches to provide life-saving meals, healthcare, education and job skills training with the mission of breaking cycles of generational poverty.

We're raising money at SDC for a multi-purpose classroom with a mini library where children can study and learn, encouraging a strong educational foundation, preparing them for future economic self-sufficiency and giving them the opportunity to reach their God-given capacities.

Let's take time today to pray over O-Network and the kids who will use the space! Let's pray that God will provide the money needed, through each of you, to reach our goal!

Invite a couple kids to come up and pray for O-Network.

****After Announcements, transition the power point to the “Blessing” slide. The host will lead the class in receiving the blessing for the day.****

BLESSING

Host

Read the verse and blessing over the kids before closing Large Group. Encourage the kids to stand and open their hands to receive the blessing as a truth that they can take with them this week and hide in their hearts.

May you trust that God hears you and He provides for you! God loves you so much!
