Senior Ministry

## MORNING TIME:

Let's start our day with God! As your kids get ready for the morning, listen to the God's Big Story by The Village Church podcast on Spotify. After you finish listening, spend a few minutes talking about what you learned.

## MEAL TIME:

Mealtime is a great space to intentionally share and learn about one another's day. Take turns sharing a high of the day, low of the day, and a buffalo (a random moment or story from the day).

## CAR TIME:

Prayer is a powerful tool, and it's even more powerful when we pray together! When you're in the car together (like on the way to school), take turns praying for cars that you pass. Pick a car color for the day and pray for every car of that color that passes.

## BED TIME:

As everyone winds down for the night, be intentional and present with your kids. Put all screens away 30 minutes before bedtime and use this space to check-in, pray with one another, read a story, or just snuggle up.
