CHECK-IN

Classroom Teacher

(Until 15 minutes after the start of each service)

As kids check-in, please have them wash their hands or use hand sanitizer before entering your classroom. Then they can participate in the various activities and games in your classroom. 10 minutes after the start of your service time, ask the kids to clean up their activities and toys so you can begin the Explore Activity at 15 minutes after the start of service.

EXPLORE ACTIVITY

Classroom Teacher

(15 minutes)

The Explore Activity is a chance to get the kids thinking about the upcoming Bible story for the day. Encourage your kids to engage with the activity as they prepare for the lesson.

DISCUSS: God Sees our Heart

In today's lesson, we are going to learn about how God sees our hearts!

SAY: Have you ever wanted to do something, or thought you could do something, but other people did not think you are good enough to do it? **Let kids respond.** It can be hard sometimes when we want to help or do something, and others don't think we will do it well.

Do you know who sees your heart? Who knows if you can do things well? **Let kids respond – Jesus/God!** That's right! God sees our hearts. He sees our talents and gifts and He helps us to accomplish things and do things that even WE might not think we

can do. We get to learn more about this in our story today, but first, let's make a special craft!

MAKE: Crown

To get the kids thinking about the lesson, they can do this activity!

Supplies: paper crown, stickers, God Sees our Heart label, markers/crayons

Directions: Pass out one crown per child. Have them decorate their crowns using stickers and markers/crayons. Pass out one "God sees our heart" label and have the child place it on their crown.

SAY: Today we get to learn about King David! God chose Him to do something very special. Other people may not have seen David the same way God did, but God saw his heart. Let's create a craft before we learn more about this special lesson.

LARGE GROUP

(25 minutes)

Each week, Large Group will consist of an introduction, worship, the Bible lesson, worship response, and the blessing.

WELCOME & EXPECTATIONS

Host

Depending on your age group, either find a designated space in your classroom or join the other classes for Large Group in the specified location.

As children enter into Large Group time, welcome and greet the children, telling them you're excited to have them joining this evening/morning.

Expectations Slide

Once everyone has found their seat, the host will use the Large Group expectations slide to go over the rules. Encourage various children to take turns reading the rules.

**** After Expectations, transition the power point to the "Worship" slide.****

KEY VERSE

Host

Before you start worship, introduce/review the key Bible verse for the quarter. This is a great opportunity for you to talk about the importance of God's Word and encourage the kids to work on memorizing the verse each week.

****Use the Key Verse Motions Video on Plex (or sent in weekly email) to learn the motions prior to Large Group.****

***"You will pass through deep waters. But I will be with you."
(Isaiah 43:2, NIRV)***

**** After the Introduction, transition the power point to the Worship songs and invite the Worship Leader up front to lead the kids in worship.****

OPENING WORSHIP

Worship Leader

While the video is playing the opening worship songs, encourage the kids to sing and dance along. Don't forget to set the example by participating alongside them!

Kids may participate in the worship however they feel led. Encourage kids to find a way that helps them worship best but remind them that it's not time to goof off or talk to friends. If you have someone leading the worship up front, you can even invite a few kids to help.

TODAY'S WORSHIP SONGS:

- Look What God Has Done
- The Comission
- Closing: King of my Heart

**** After Worship, transition the power point into the Bible Story video where the kids will hear about the lesson for the day.****

BIBLE STORY**Lesson Video**

Remind the group before starting the video to follow the expectations for Large Group.

THIS WEEK'S LESSON: *David Becomes King – God Sees Our Heart*

Encourage kids to listen and engage with the lesson as they watch the teaching video.

****After the video finishes, turn on soft worship music (with or without lyrics) to transition into Worship Response. This should be background music to help set the tone for a quiet reflection time with God.****

WORSHIP RESPONSE**Host**

Worship Response is an opportunity for the kids to apply what they just learned and to respond to what God is doing in their life. *Have the kids sit in a place where they can be still and reflect independently.* Then read through the Worship Response prompts below as you lead the kids through the time.

DO: Big Heart – God Sees Our Heart

Supplies: Big Heart, Markers, Crayons

SAY: What does your heart look like today? Is it sad, happy, mad, kind, or joyful. Does God look at our hearts? Is He with you no matter what is in your heart? God know better than anyone else about your heart.

David was a young, humble shepherd who was not the logical choice to become the king of Israel. David's stronger brothers were not chosen by God to become king. It may sound strange to you, that God would not pick someone big and strong for the job, but God does not see things the way we see them. He looks at things much differently than we do. What is more important to God is a pure heart. David was chosen by God to fulfil His plan.

Directions: Pass out 1 big heart to each child. Ask the children to draw or write on their hearts what they believe their own heart looks like today. Ask them to place the hearts on the wire boards.

Ask the children to gather back together, and to think about the heart that they just drew or wrote on.

SAY: What does your heart say about you? Are you growing to be more like Jesus? Do you spend time reading your Bible, or if you can't read do you ask someone else to read the Bible to you? Do you pray? Spend time asking God to help your heart to look more like Jesus.

Close time in prayer.

******After Worship Response, transition the power point to the closing Worship videos and invite the Worship Leader to come back up.******

CLOSING WORSHIP

Worship Leader

Play the closing worship song included in the power point and encourage the kids to sing and praise along.

This closing song is intended to be a transition for the kids to finish processing and reflecting on the lesson before transitioning to the small group time.

******After Worship Response, transition the power point to the Offering slides.******

OFFERING

Host

Before closing large group, take a moment to explain that every week, we provide an opportunity for our Woodmen Kids to participate in tithing. We believe God is our provider, and it is our privilege to give back to God what He has so graciously given us. Then, remind kids that if anyone brought an offering, now is the time to come forward to donate.

Ask a child to come up and pray for the offering.

******After Offering, transition the power point to the "Announcement" slide. The host will discuss any current announcements.******

ANNOUNCEMENTS & SPECIAL MISSIONS FOCUS – M4 Europe

Host

Take this opportunity to cover any announcements and special missions focus for the kids, such as upcoming events or reminders, like bringing food donations for Feeding Families. Use the slides provided in the PowerPoint to display important announcements.

SAY: What would happen if you came to church one day and there was no greeter at the check-in desk? **Pause.** Or, if you walked into your classrooms and there were no teachers? How would you feel? Would you be disappointed and confused? **Let kids respond.**

SAY: Did you know that these individuals are an important part of the work God has given believers to share Jesus with others and grow His church? For the past two weeks our mission focus has been M4 Europe. Because many people in Europe have never heard of Jesus, M4 Europe is training believers to “plant” or start churches there so that others can gather together and learn more about Jesus as you do when you come to church.

Let’s pray for the church’s that will be planted in Europe and that people will have a relationship with Jesus!

****After Announcements, transition the power point to the “Blessing” slide. The host will lead the class in receiving the blessing for the day.****

BLESSING

Host

Read the verse and blessing over the kids before closing Large Group. Encourage the kids to stand and open their hands to receive the blessing as a truth that they can take with them this week and hide in their hearts.

May your heart become more and more like Jesus as you grow in Him. May you spread the good news of Jesus to others.

3. **Throughout all of David's life we see that God is always with him and goes before him. Sometimes it might be difficult to see this truth in our lives, that God is always with us too. RESPOND ACTIVITY

Classroom Teacher

(10 minutes)

DISCUSS:

If you have extra time at the end of your lesson and small group time, the kids can participate in this activity.

PLAY: Search in the Word: Bible Relay

Supplies: Bible

Directions: Have children get into groups with a leader/LIT or teacher. Make sure to have at least one bible per group and one leader per group.

Have children try to find these verses in their groups to learn more about using the Bible!

You can use this activity as a race for older kids or go step by step through each one with younger kids.

Find:

- Matthew 1:21 (Who does this verse talk about?)
- 1 Samuel 17:50 (Who does David defeat?)
- Genesis 7:1 (who is this story about?)
- John 3:16 (what is this verse?)
- Find the last book of the bible! What is it? (Revelation!)
- Proverbs 2:6 (what does this mean?)
- Isaiah 7:14 (what did God promise?)
- Proverbs 15:3 (Who knows everything?)
- Luke 4:32 (who's teaching should we follow?) (Jesus' / God's)
- 2 Samuel 22:33 (Who gives us strength?)

SAY: Today we are going to use God's very special gift that He gave us, the Bible! We are going to see if we can find some special verses and passages in the bible. Sit in a circle with your group/leader. Take turns using the bible to look up the passage when I say 'go'. If you do not know how to find it, ask you leader to show you how to use the table of contents to find the book you are wanting to look up. Read and talk about each section with your group. Then pass the bible to the next person to help them find the next verse/book/ or passage. Let's see if we can use God's word to remember some of the wonderful promises He keeps and ways He helps us. You can always use your Bible to learn more about God and grow closer to Him!
