SCHOOL OF MINISTRY

The School of Ministry at Woodmen Valley Chapel provides participants with a practical experience of vocational ministry through two programs: a 10-week summer internship and a 9-month residency. The internship helps interns discern a potential call to ministry, while the residency focuses on gaining clarity and specialized development in a specific ministry area.

Both residents and interns become part of a ministry team and therefore will be held to Woodmen's high expectations of working with excellence, serving others and loving well. As valued team members, both roles also receive intentional, caring support and guidance as they engage with coaches and mentors, participate in weekly leadership classes, offer and receive direct feedback and dedicate time to investing in and deepening their relationship with God through the program!
